## *La Cave*

### *A secret place to be.*

A memorable get-together requires an uncompromising high quality, perfect service and a breathtaking ambience. The event location “La Cave” is found in the basement of hotel Provocateur Berlin. The event room can be used in different ways and is suitable for different types of events. Other parts of the hotel such as rooms or our bar and restaurant could also be used exclusively and in combination with the total event space.

The interior concept of the Design Hotel is reflected here as well: The Paris of the 1920s meets today's urbanized modern Berlin. Overall, the room with its industrial style, brick walls, gives an impressive feeling and the red velvet furnishings with the open tubes and steel creates an exciting combination. Absolutely, an insider tip.
